

HEPATITIS B

VIC THE HEP B VIRUS

HEPATITIS B
CAN BE CAUGHT
IN THIS JAIL BY:

BEING BITTEN BY
'MAD BORIS'
THE CANNIBAL OF E-WING

EAR OR
BODY PIERCING

SHARING NEEDLES
SYRINGES, BARRELS,
FILTERS, SPOONS

GETTING TATTOOS
DONE WITH A
DIRTY NEEDLE

SHARING RAZORS,
TOOTHBRUSHES

HAVING SEX

HEPATITIS B:

OR **HEP B** FOR SHORT, IS A LIVER
DISEASE CAUSED BY A VIRUS;

*IT CAN CAUSE SERIOUS DAMAGE TO
THE LIVER AND CAN KILL YOU

*IT CAN BE CAUGHT BY COMING INTO
CONTACT WITH AN INFECTED PERSON'S
BLOOD IN ALL THE WAYS SHOWN OR
BY HAVING SEX WITH AN INFECTED PERSON

*IF YOU HAVE IT YOU MAY BE ILL STRAIGHT
AWAY OR YOU MAY HAVE NO SYMPTOMS,
BUT YOU CAN STILL PASS IT ON TO
SOMEONE ELSE, IN SOME CASES FOR
YEARS AFTER.

*THERE ARE ALMOST CERTAINLY PEOPLE IN
THIS PRISON WHO HAVE HEPATITIS **B**

YOU ARE AT RISK

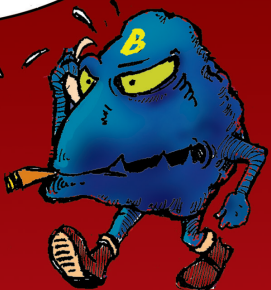

BUT

**THERE IS A VACCINE
THAT CAN PROTECT YOU
FROM THIS VIRUS**

ONCE I GET INSIDE YOU
I'LL MULTIPLY AND
MY ARMIES WILL
ATTACK YOUR LIVER.

THING IS - I'VE HEARD
THAT SOME OF YOU HAVE
HAD A VACCINE THAT WILL
KILL ME IF I GET
INSIDE YOU.....

.....BUT THE GOOD
NEWS IS - MANY
OF YOU HAVE NOT
BOTHERED TO GET IT !
